Housing

Students are housed in air-conditioned rooms with double occupancy; students may also be assigned to triple- or single- occupancy rooms. There will be one Resident Assistant (RA) for approximately every 15 or 16 students. The residence halls have defined boundaries for male and female students. Cross-hall visitation is not permitted without a CTY staff member. Students are placed in residence hall rooms according to age and course. Specific roommate requests are discouraged and cannot be guaranteed under any circumstances.

Students are provided with a bed, desk, dresser, and closet space. Roger Williams University will provide linens to students at no additional charge. Each student will receive two sheets, two towels, one washcloth, a blanket, a pillow, and one pillowcase. Beds are single-size, also known as twin extra long. If you plan on bringing your own bedding, extra-long sheets or flat sheets are recommended. All residence hall rooms are air-conditioned.

Rooms at Roger Williams University are sometimes furnished with high, loft-style beds. We cannot guarantee that the beds will be lowered. Therefore, if your child is unaccustomed to sleeping in a lofted bed, we recommend that you bring a bed rail. Also, we recommend that students bring a desk lamp or reading lamp.

Keys/Key Deposits

All residence hall rooms are secured with individual room keys and a locked exterior door. Keys will be distributed at Registration. Each student will receive a lanyard, and keys must be kept on lanyards at all times.

Roger Williams University policy requires a \$25 key deposit. Each student must bring a check made out to Roger Williams University for the key deposit. The deposit must be paid at Registration before a key is distributed. When the keys are returned on the last day of the session, the deposit will be returned to the family. The minimum charge for key replacement is \$25 for a room key. After the session, the college immediately re-cores the locks for rooms with missing keys. Therefore, if you leave the site without returning your key, your deposit will not be returned, even if you later return the key.

Student IDs

At Registration, students will receive a student ID card. This will serve as identification in the dining hall and will allow admission to other campus facilities during available hours. Students must keep the ID card with them at all times, on the CTY lanyard. There is a \$5 charge for each lost or damaged meal card (including placing stickers on the meal cards).

Meals

Lunch on Arrival Day is the first meal provided for students by CTY each session; the final meal is lunch on Departure Day. Three meals are provided each day with a variety of menu selections. Students and staff members eat their meals in the college dining hall. RAs sit with their students for the first few days.

Vegetarian Meals: Meatless entrees are available on the regular menu. The meatless entrees may contain animal products (milk, cheese, eggs). Students who prefer not to eat animal products may choose from items on the regular menu and the salad bar. Special, no-animal-product menu plans are not available.

Specific Food Allergies: Please provide details on the enclosed Medical Form. Most students with food allergies manage by selecting from the wide variety of items available on the regular menu and salad bar.

Kosher Meal Requests: Commercially prepared, frozen entrees are available for students keeping kosher. The cost is an additional \$100 per session. Please contact the program manager, Laura Saxton, at 410-735-6183 to make the arrangement.

Halal meals are not available at this site. Please contact the program manager, Laura Saxton, at 410-735-6183 to discuss an alternative arrangement.

Clothing and Laundry

In general, dress at the site is casual (shorts or jeans, t-shirts, sneakers). Students should dress in a manner that is appropriate for a classroom environment. Some students enjoy dressing up a little more for dances and closing ceremonies. Students should also bring rain gear, a sweater or jacket for occasional cooler temperatures, and a swimsuit. Students in science classes must wear long pants and closed shoes in the laboratories. Black-soled shoes are not permitted in the gymnasium.

Washers and dryers are readily available for students to wash their own clothes. The machines are coin- or card-operated. We recommend that students bring approximately \$10 in quarters to cover laundry costs for each three-week session. RAs will help students who are unfamiliar with using machines.

Contacting the Site

The number for the CTY office at the college will be available at Registration. This phone normally will be attended from 8:30 a.m. to 11:00 p.m. daily. The site director may be reached at this number.

In case of emergency: If you have an emergency and cannot reach your child or CAA staff, call the Roger Williams University Department of Public Safety at (401) 254-3611. This number is operational 24 hours a day and is for emergencies only.

Telephones/Phoning Home

Each residence hall room will have a telephone line provided by the college. Students will need to bring their own basic, analog touchtone phone to use this line. The number will be available to students and parents on Arrival Day. Lines will be restricted so that students may place long distance calls on a collect or calling card basis only.

Students are permitted to have cell phones at the site, but only under very strict guidelines. Cell phones may be used only in student rooms or other designated areas on campus, and only during specified times. Otherwise, cell phones must remain off, and should be accessible for emergencies only. Cell phones used outside of designated hours or areas (such as in class or during activities), for playing games, or for inappropriate reasons such as prank calling, may be confiscated, and students may be subject to discipline. For the purposes of this policy, cell phones include all mobile communication devices; use includes sending and receiving text messages, sending and receiving email, and accessing the Internet. CTY assumes no responsibility for lost, stolen, or damaged cell phones, or for their misuse, including exceeding plan limits or use by unauthorized persons.

In general, we urge students and parents to make calls no more than once or twice per week. Parents should pre-arrange particular days and times for phone calls. The best times are 7:00 - 8:30 a.m. and 9:30 - 10:00 p.m. Students may not receive phone calls after 10:15 p.m.

Textbooks/Bookstore

Fees for textbooks are not included in the tuition or room and board payments. Students will be able to purchase textbooks at the Roger Williams University Bookstore. The cost of books per course averages \$80, but can be as high as \$200. Titles of required textbooks will be available on Arrival Days. Because titles can change at the last minute, students should not purchase their textbooks in advance.

Occasionally instructors may require materials not available through the bookstore; in these cases, students will be billed through the CTY Accounts Receivable office. You will be notified of these expenses on opening day at the site.

Directions to the campus bookstore will be provided at Registration. The Roger Williams University Bookstore is located on the lower level of the new Commons building. The bookstore is open from 11:00 a.m. to 3:00 p.m. on Arrival Day; students who arrive after 3:00 p.m. purchase texts before

classes begin on Monday morning. The bookstore accepts cash, traveler's checks, personal checks (made payable to "Barnes & Noble"), MasterCard, and Visa. Additionally, because the bookstore is a Barnes & Noble store, students may use Barnes & Noble gift cards to purchase texts (and all other items).

For students who travel to the site unaccompanied, there are several options for payment: cash, traveler's checks issued in the student's name, or a blank personal check made payable to "Barnes & Noble." Since the texts and prices are subject to change, the amount on a personal check should be left blank and filled in by the student at the time of purchase.

In addition to textbooks, instructors may require basic school supplies such as pens, pencils, crayons, notebooks, loose-leaf paper, rulers, etc. You will get a list of required supplies at Registration and those supplies will be available at the bookstore. However, we strongly recommend that you bring basic school supplies you already have with you to the site, in order to help lower your bookstore costs.

Computers/Homework

Students are permitted to have laptop computers at the site, but only under very strict guidelines. Laptops may be used only for academic purposes and under staff supervision. CTY can provide help with printing only to students who must use a laptop as an accommodation for a documented disability. Laptops used outside of instructional times for non-academic purposes such as playing games or viewing DVDs; or for inappropriate reasons such as sending prank emails or IMs, may be confiscated and students may be subject to discipline. CTY assumes no responsibility for lost, stolen, or damaged laptops, or for their misuse, including use by unauthorized persons.

Students complete all of their academic work, including homework, in their classrooms. Homework in many of the classes consists of reading, problem sets, and short exercises. Even with longer assignments, instructors are accustomed to reading handwritten work and do not require or expect typewritten essays. If there are extenuating circumstances, such as a learning disability, please contact summer programs staff at 410-735-6215 or ctydisabilities@jhu.edu to discuss what arrangements can be made to accommodate your child.

If, after talking with summer programs staff, you decide to have your child bring computer equipment, we urge you to verify that it will be covered under your homeowner's or renter's insurance while your child is at CTY. CTY is not responsible for lost, stolen, or damaged computer equipment.

Internet Access

Students are only permitted to access the Internet under staff supervision, as a part of their course work or part of a sanctioned activity. Students using the Internet to view inappropriate web sites, or to bully and intimidate other students, or for other inappropriate reasons, will be subject to discipline.

Mail and Care Packages

Mail will be picked up and distributed daily (Monday through Friday). Mail should be addressed in the following manner: (note: no nicknames, please USE CAPS AND NO PUNCTUATION)

Student's Name
Attn. RA's name (available on Arrival Day)
Johns Hopkins CAA Program
c/o Roger Williams University
Box 8500
One Old Ferry Road
Bristol, RI 02809-2921

Spending Money/Check Cashing

Students should bring approximately \$50 - \$75 spending money for each three-week session for laundry, school supplies, and occasional snacks (\$10 in quarters is useful for laundry). This does not include money for books or the key deposit. Students should bring a limited amount of cash, traveler's checks, and/or gift/debit cards issued in the student's name. Students must budget their spending money carefully. If your child needs extra money during the session, send additional traveler's checks or a money order. Do not send cash in the mail!

Athletic Equipment

While basic athletic equipment is provided, students might want to bring their own tennis rackets, lacrosse sticks, baseball gloves, etc. No bicycles, skateboards, in-line skates, or roller skates are permitted. Students should label their personal athletic equipment.

Musical Instruments

Students will have access to music practice rooms on a daily sign-up basis, as available. Students are responsible at all times for the safe storage of their musical instruments and equipment. There will be no formal extracurricular music program, but students are welcome to form their own music groups.

Personal Belongings/Lost and Found

Students are responsible at all times for the safe-keeping of their personal belongings. We urge students to label all their belongings, including clothing, with their first and last names and "JHU-CTY." Neither CTY nor Roger Williams University can be responsible for theft or other losses of, or damages to, students' personal belongings, including athletic equipment, musical instruments, or computers. When considering whether to bring an expensive item, families may wish to investigate possible coverage under their own homeowner's or renter's insurance. In general, we recommend that students leave valuables at home.

The CTY site office will maintain a lost and found box. Clearly labeled items are the most likely to be successfully returned. Neither CTY nor Roger Williams University can be responsible for items left behind at the end of the session.

Packing

You will find a list of recommended items on page 29 of this packet. We recommend that you label all items with your student's name. Please also pay careful attention to our list of prohibited items found in the policies section of this packet as well as on bottom of the packing list.

Travel Information

Directions to Roger Williams University

By car:

A campus map can be found later in this packet on page 10. Parents may park in Roger Williams University lots. Parking is not permitted in throughways or on the grass. More specific parking directions will be provided once you arrive at the site on Registration Day.

Directions to Roger Williams University

From Boston, Massachusetts and points North

Take Route 128 South (also called 95) to Route 24 South to Fall River. At the end of Route 24 bear right onto 195 West to first exit (Exit 8). Take Route 24 South (Tiverton/Newport) to the Mt. Hope Bridge/Bristol exit. Turn right at the bottom of the exit, and continue across the Mt. Hope Bridge. The University is just after the bridge on the right.

From Albany, New York and points West

Take Route 87 to Route 90 East (Mass Turnpike). Take Route 146 South to Route 95 South to Providence, Rhode Island. Take Route 195 East to Exit 7 (Route 114-Barrington/Warren). Travel south on Route 114 approximately 14 miles through Barrington, Warren and Bristol. The University is on the left just before the Mt. Hope Bridge.

From New York City and points South

Take Route 95 North to Providence, Rhode Island. Take Route 195 East to Exit 7 (Route 114-Barrington/Warren). Travel South on Route 114 approximately 14 miles through Barrington, Warren and Bristol. The University is on the left just before the Mt. Hope Bridge.

For families flying into the T. F. Green Airport (PVD) and renting a car: From T. F. Green Airport, take Route 95 North to Providence, Rhode Island. Take Route 195 East to Exit 7 (Route 114-Barrington/Warren). Travel South on Route 114 approximately 14 miles through Barrington, Warren and Bristol. The University is on the left just before the Mt. Hope Bridge.

By plane/train:

The Bristol site is served by T. F. Green Airport (PVD) and the Providence Amtrak Station. A shuttle service is available. For more specific instructions and detailed travel information, visit our website at www.cty.jhu.edu/summer/travelguide.html See below for important scheduling information.

Note: Exceptions to the official arrival and/or departure dates are available only in the most extenuating circumstances. The cost for early arrival and/or late departure is \$75 per day. Please call the program manager for your site, **Laura Saxton**, at **410-735-6183**, to make a request. Because most staff leave on the last day of Session 2, late departure from Session 2 is not an option.

Shuttle Service

We can make arrangements to pick up a student traveling alone to designated airports and train stations. This service is available on arrival and departure days only and is for residential students only (not other family members). If you will accompany your child, you must plan to rent a car or use public transportation. Daily shuttle service for commuter students is not available.

For this site, shuttle service is available from the following airports/stations only: T. F. Green Airport (PVD) and the Providence Amtrak Station. Please schedule your child to arrive between 9 a.m. and 6 p.m. and to depart between 10:00 a.m. and 6:00 p.m. If you cannot make this window, please call the site program manager, Laura Saxton, at 410-735-6183, to make arrangements. Students are shuttled in groups, which means that arriving students may have some wait time before traveling to the site, and departing students may be required to leave the site significantly earlier than their flight time. Waiting students are supervised by CTY staff (see below).

The fee for shuttle service is \$60 (one-way or round-trip) and is nonrefundable. In order to request CTY's shuttle service, please log in to your MyCTY account (as a parent) at www.cty.jhu.edu, click on the Manage Enrollments link, and then click on the link for requesting shuttle service. We strongly recommend that students requiring a shuttle to the site use the online shuttle service request system. The online shuttle request service will be available beginning February 15. We have also included a paper form to request shuttle service in this packet if access to the online system is unavailable. Students requesting early arrival or late departure may not use the online shuttle request form. Early arrival and late departure require permission from the site's program manager, whose phone number and email address are on the front page of this packet. The deadline for requesting shuttle service is May 15. If you do not receive confirmation by June 15, please call us at 1-800-393-6095.

You may also use the online shuttle service request system to make any needed changes. For any changes made after June 22, please call the site office directly. Site phone numbers will be posted on our website (www.cty.jhu.edu/summer) and will be available by calling 410-735-6277 (Mon-Fri, 8:30am – 5pm Eastern Time only).

Students requesting shuttle service will be met just outside the security checkpoint by staff members wearing CTY T-shirts. In the unlikely event that the student does not immediately see the staff member, it is very important that the student **wait at the checkpoint** until the staff member arrives. Call the site office immediately if there is any last-minute change in the flight schedule. Departing students are checked in and escorted to the security checkpoint by staff members. Because of new airport regulations, the staff member will not be able to accompany the students to the gate. Students and staff will be given instructions on what to do if a flight is cancelled or significantly delayed.

Please note: Students under twelve may be considered “unaccompanied minors” by the airline, and you may be required to pay an extra fee (contact your airline for details). The airlines will require the name of the CTY staff person who will meet such students upon arrival. We cannot provide this in advance; instead you must contact the site office the day before the flight to get the staff member's name. Remember, site phone numbers are available on our web site (www.cty.jhu.edu/summer) or by calling 410-735-6277 (Mon-Fri only).

Hotel Accommodations

If your family requires lodging while in the Bristol area, they may wish to make arrangements to stay at the Roger Williams Residence and Conference Center. To make reservations, call 401-683-3600. Additional lodging information is available by calling the Bristol Harbor Inn at 866-254-1444 or 401-254-1444 or visiting the following website:

Important Policies

Requesting Course/Site/Session Changes

It is possible to request changes in courses and sites, but, except in extenuating circumstances, we can make changes only after we have completed the course assignment process for the regular registration deadline in late April. Whether or not we can make a change will depend upon whether the desired course/site/session has space available. To request a change, please contact the Registration Office at 1-800-393-6095 or CTYRegsumm@jhu.edu.

All requests to change to a course that is already full will be handled through the **Wait List**. Requests to be on the Wait List are handled by the Registration Office. If you request to be put on the Wait List, you will receive a confirmation letter from the Registration Office, listing the course(s) you have asked to be moved to, if possible. You will be notified about whether or not we were able to move you off the Wait List in early May. If you have questions about the Wait List, please contact the Registration Office at 1-800-393-6095 or CTYRegsumm@jhu.edu.

Important: If you received an assignment for any course that you listed on your application, you will not receive a refund if you decide to withdraw from the program.

Requesting a Second Course Assignment

The summer program application has a box on the second page where you can indicate if you would like to apply to attend for both sessions. If you checked that box, you will automatically receive an application for a second course assignment in April, along with a list of the courses that are still available. If you did not check that box, but would now like to request a second course assignment, please contact the Registration Office at 1-800-393-6095 or CTYRegsumm@jhu.edu.

Requests for a second course assignment will be handled in April, after we have tried to place every applicant in a course.

Requests to Attend with Siblings or Friends

If you have siblings or friends who wish to attend the same site, all of their course choices should have been for the same site. Otherwise, as a result of our automated assignment process it is quite likely that they were assigned to different sites. If siblings or friends wish to attend together and they were assigned to different sites, please call the CTY Registration Office immediately (see above, "Requesting Course/Site/Session Changes"). While we are happy to try to make a change, we cannot guarantee that siblings or friends will be placed at the same site.

Roommate Requests

We discourage roommate requests because we find that students benefit from the opportunity to befriend new people. Roommate requests are accepted only after you have received your course assignment packet. Parents of both students must send a roommate request in writing or via email to the program manager whose name is listed on the front of this packet. Please do not assume that any correspondence you may have enclosed with your program application is sufficient for making a roommate request since the CTY Registration Office is responsible only for processing course choices.

Housing assignments are complex and involve a number of factors. As a result, while we will consider roommate requests, we can rarely honor them. Please do not come to the program with the expectation that you will have the roommate you requested. We cannot guarantee a roommate to any student.

Tuition Policies

You can log in to your MyCTY account at www.cty.jhu.edu to make a credit card payment, obtain your account balance, or view detailed financial transactions. Check payments are also accepted and should be mailed to the address on the invoice. All payments are due in accordance with the due dates on the invoice and registrations may be withdrawn if balances are unpaid. Any questions concerning your invoice should be directed to 1-800-393-6095.

Refund Policies

To withdraw your child from the program for any reason prior to arriving on site, **you must notify the CTY Registrar in writing. Withdrawals should be emailed to CTYregwithdrawals@jhu.edu.** Once on site, you must notify the site director. Refunds take approximately 4-6 weeks to process from the time that the withdrawal notification is received by the CTY Registrar. Refunds are issued in the same method of payment (check or charge) used for the initial payment to CTY. Refunds are sent to the student's address on record. CTY refund policies are as follows:

Application Fee: The \$50 application fee is not refundable under any circumstances.

Tuition Deposit—Before Course Assignments are Mailed: The tuition deposit will be fully refunded if the withdrawal is received in our office before course assignment notification.

Tuition Deposit—After Course Assignments are Mailed, Before Session Begins: Once course assignments are mailed, through the postal service and email, the tuition deposit is nonrefundable except in the following circumstances: the student did not receive sufficient financial aid; the student is not assigned to any of the courses requested; the student cannot come for medical reasons and has appropriate documentation from a physician; or all the requested courses are cancelled. Deposits are not refunded for students who receive one of their choices but not their first choice.

Tuition Deposit and Payments—After Session Begins: For commuter students, the tuition is nonrefundable. For residential students, for whom a portion of the tuition is for room and meals, the room-and-meals portion is refundable on a prorated basis. However, the remainder is nonrefundable, except in cases of serious illness. In such cases, documentation from a physician is required, and refunds will be made on a prorated basis. Students who are dismissed from the program or who leave because of homesickness are refunded the room-and-meals portion of the tuition on a prorated basis.

Financial Aid

If you applied for financial aid, you will find one of two letters in this packet. If you filed a **complete** Financial Aid application, your award letter is enclosed. If you did not submit a copy of your **prior year** Federal Tax Return with your Financial Aid application, an "Incomplete" letter is enclosed. You must submit this income documentation before your aid eligibility can be determined. If you have financial aid questions, please call the Financial Aid Office at 1-800-393-6095.

A note about travel expenses: If you have been assigned to a course which requires travel by air or train, you will want to make travel arrangements as early as possible for cheaper rates. Financial aid **does not** cover travel costs.

Financial aid funding may be more limited than in previous years; consequently, families may be expected to contribute more to the cost of the program.

Information for Commuters at Residential Sites

Students who will be commuting to a residential site will receive a mailing with additional information by the end of May. The same information is also available on-line at cty.jhu.edu/summer/commuter.html

International Students

If you are a non-US citizen, or will be traveling to the United States from abroad for the summer program, the International Students Resource Guide is included in your Course Assignment Packet. Please refer to this resource for special considerations as you prepare for the summer.

Students who are not US citizens may need to acquire a student visa to travel to the US for the CTY Summer Programs. Contact the American Embassy or Consulate office in your country of residence to find out whether your child will need a visa. For information about US entry and visa requirements for your particular country, please visit the U.S. Department of State website: http://travel.state.gov/visa/temp/types/types_1268.html

Please begin the process as early as possible since it can take up to six weeks in certain cases to obtain a visa.

Intersession Accommodations

For students attending both sessions, we recommend that students spend the intersession weekend off campus with family or friends in the area. However, intersession accommodations are available on the campus for a fee of \$75 per day. This fee includes room, board, and supervision. Students will be housed in temporary quarters, then move into their second session rooms on Sunday. Storage for luggage and other belongings is available on campus for all students staying for Session 2.

Expectations for Student Conduct

We expect our students to meet the highest standards of behavior, both in personal deportment and in dedication to academic pursuits. At each site, students learn about our standards for behavior, including site rules, on the first day. While specific rules vary somewhat from site to site, community standards throughout our summer programs are basic and consistent. They apply both in and out of the classroom. They include a commitment to academic and personal integrity, respect for all members of the community, regard for the basic rules of physical safety, and cooperation with adult supervision. To this end, students must adhere to our Honor Code (see below). We cannot accommodate students who are unwilling or unable to live up to these expectations. Please discuss the meaning of this code with your child.

Center for Talented Youth Honor Code

CTY's summer programs provide a unique opportunity for intellectually curious people from diverse backgrounds to come together in pursuit of academic challenge and growth, within a supportive community built on respect, responsibility, and trust. In order to create and sustain such a community:

I promise to uphold academic and personal integrity, respecting the ideas and property of others, and to ensure that those around me do the same; and

I promise to follow the Expectations for Student Conduct:

- Strive to do the best academic work possible.
- Respect individuals of different races, cultures, religions, genders, sexual orientations, ages, disabilities, and national origins.
- Behave in a friendly, cooperative, safe, and responsible manner toward all persons in the CTY community and in the larger campus and local communities.
- Attend all class sessions, meals, activities, and meetings.
- Take responsibility for my own work and actions.
- Cooperate with adult supervision.
- Observe rules for physical safety and all other rules for student conduct.

I understand that my actions will shape our site community, and that my membership in the community depends on my honoring this code.

Academic Expectations

Our program is fast-paced, and a component of the Center for Talented Youth Honor Code is that students strive to do the best academic work possible. When a student is not meeting our expectations, CTY staff will seek ways to help him or her succeed, including consulting with parents. However, a repeated pattern of poor performance on academic assignments will result in a negative final course evaluation or possible early dismissal from the program.

Dismissal Policy

Rules and regulations concerning student conduct will be explained during the orientation period at the beginning of each session. The rules define visitation guidelines, curfews, campus boundaries, safety policies, and so on.

Students may be dismissed from the program for any of the following reasons:

- not attending to their academic work in a satisfactory manner
- cheating, plagiarizing, or committing other acts of academic dishonesty
- being in restricted areas of campus, or leaving campus, unaccompanied by a staff member
- being on an opposite-sex hall
- leaving their halls after lights-out
- stealing or vandalizing property
- keeping prescription or over-the-counter medication in their possession (some limited exceptions found on page 16 of this packet)
- possessing or using tobacco, alcohol, or drugs
- bullying or hazing
- undermining the safety or wellbeing of self or others (including threats).

We reserve the right to ask a student to leave the program for disciplinary, medical, or other reasons. If a student is asked to leave, parents must arrange for the student's transportation from the site immediately.

No tuition refunds will be made to students dismissed from the program for disciplinary reasons. If a student damages property, the cost of repair or replacement is added to the student's account balance. CTY provides clear guidelines and careful supervision, but students are ultimately responsible for their own conduct. Disciplinary issues are handled by site administrators.

Prohibited Items

The following items must not be brought to the sites:

- weapons of any kind (including pocket knives and martial arts devices)
- any flame-producing device (including matches, lighters, and firecrackers)
- role-playing game books or other items associated with role-playing games
- trading cards
- pets of any kind
- products that damage surface finishes
- televisions, computer/video games, or DVDs
- bicycles, skateboards, roller blades, skates, scooters, or shoes with wheels
- water guns
- halogen lamps, refrigerators, or cooking devices
- laser pointers.

In addition to the above list, we reserve the right to confiscate for the length of the program any items that, in our judgment, demonstrate the potential for distracting students from the goals of the program, pose undue risk to the safety and wellbeing of people, or pose undue risk to property.

Visitation Policy

CTY students enjoy their time at a CTY site, especially on weekends when a full range of activities is planned and students have time to relax with new friends. We therefore strongly discourage visiting students while the program is in session. Only a student's parent, guardian, or an authorized adult may visit the site (complete the Authorization to Visit Form at the end of this packet). Visitors pay for any meals on campus and may not stay overnight.

For security reasons, site administrators must be aware of any visitors on campus, including parents; we also must know of any plans to take students off campus. All visitors must sign in and out at the CTY site office on campus and show identification. If a student must leave campus, the student must inform the site director, and may leave only with a parent or guardian after signing out at the CTY site office. CTY will release students to individuals other than the parent or guardian only with written permission on the Authorized to Visit/Take Student Off Campus form. Former CTY students or unaccompanied minors are not permitted to visit the site.

Homesickness is often intensified by frequent calling and/or visits. If your child becomes homesick at CTY, contact the academic counselor at the site to discuss strategies for helping your child.

Custody Issues

Please indicate any issues you believe we should be made aware of on the Authorization to Visit/Take Student Off Campus Form, and attach copies of pertinent legal documentation.

Disability and Medical Information

Students with Learning, Physical, or Medical Disabilities

Open communication between CTY and parents is essential to meeting students' needs. **If your child has a learning, physical, or medical disability, you must contact summer programs staff at 410-735-6215 or ctydisabilities@jhu.edu to notify us and then discuss those needs in the context of the academic, social, and residential aspects of the CTY program.** Because accommodations must be reviewed and approved each year to ensure appropriate services are provided, you must call or email **every year**, even if your child received accommodations in a past CTY program, or was evaluated by CTY's Diagnostic and Counseling Center. Information of this nature is privileged and is not shared between departments at CTY without your written release.

CTY is committed to providing reasonable, appropriate, and necessary accommodations for qualified students with disabilities. A person with a disability is defined by the U.S. Rehabilitation Act of 1973 and by the Americans with Disabilities Act of 1990 as an individual who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having an impairment.

Documentation and Accommodations

For reasonable accommodations to be provided, current documentation from a qualified individual knowledgeable about the student's disability must be submitted to our office by **May 15**. Requests made outside of this timeline may adversely affect our ability to provide accommodations and in certain circumstances may prevent a child from participating in our program. The sooner you can discuss the services your child needs, the better.

Documentation must include the diagnosis of the disability, a description of the specific functional limitations as they pertain to both the academic and residential settings, and recommended accommodations. You must also disclose any disabilities on the Medical Information Page (see page 20). The privacy rights of students with disabilities are honored to the fullest extent possible.

A current medical evaluation must be submitted if the disability is a medical condition, hearing impairment, or visual impairment. A current psychological or neuropsychological evaluation must be submitted if the disability is a learning disability, ADHD, non-verbal learning disorder, developmental disorder (including Asperger's Syndrome), or social/emotional issue such as depression. Although IEPs cannot serve as the sole piece of documentation, they may be helpful in combination with the medical or psychological evaluation. Further guidelines on documentation can be found at www.jhuuaa.org

Costs for personal attendants, personally prescribed devices, or services which involve travel and other expenses are the responsibility of the student's family. If you have questions that are specific to site accessibility for any family members or friends who may visit the site, please contact the site's program manager at the number listed in this packet.

All students on medication should continue to take their medication during the program as prescribed by their physicians. Although the program occurs during the summer and often students may not take medications that they do during the school year, at CTY the daily schedule and demands of the program require as much focus and energy as needed during the typical school day. Thus, in order for students who regularly take medications during the school year to have the greatest opportunity for success at CTY, it is **imperative** that students keep to their regular medication schedule.

Medical Forms

CTY requires medical forms to be completed for each student attending Summer Programs. Medical forms are located in this packet beginning on page 19. Students who have not submitted completed forms will not be permitted to participate in the program.

The parent or guardian must complete the enclosed **Medical Information Page** and submit the form to CTY Registration **within two weeks of receipt of this packet**. This form contains information about emergency contacts, health insurance, medications, allergies, medical history, and parental permission to treat. Completion of this information is essential to our ability to care for your child this summer.

The **Physician's Signature Page** needs to be submitted to CTY and requires the signature of the child's physician. This page is due to CTY Registration by **May 15** to allow time for parents and guardians to make appointments with the child's physician, if necessary. A physician must sign for each student every year, so if you have not already scheduled an appointment with your physician, please do so right away. If your child has had a physical examination within the past two years, your physician may be willing to complete the form without a new office visit. However, a current signature (from the 2008-2009 academic year) is still needed. It is up to your child's physician to determine if the information from a physical prior to the current academic year is still reflective of your child's health.

Please bring or send with your child **duplicate copies of the medical forms** to the site. In addition to a copy of the medical forms, we request that you bring to the site or send with your child **a duplicate copy of your medical insurance card and prescription card (if you have one)**, as it provides important information that will be necessary in the event that your child is taken to see a health care provider while enrolled in the program.

Medical Care at the Site

Health staff are available to provide routine medical treatment including the dispensation of medication and the bandaging of cuts and scrapes. For more serious medical issues, students will be taken to local physicians, clinics, or emergency rooms for treatment.

Families are responsible for the costs of prescription drugs and any health care beyond what is provided by summer programs staff at the site. In most cases, the providers will bill the family for direct payment; claims for reimbursement should then be filed with the family's insurance company. In some cases, payment will be required at the time services are rendered. If you will be away from home during the time your child is in the program, please ask a relative or friend to be responsible for arranging immediate payment should it be required. CTY does not provide medical insurance of any kind for students. CTY cannot accommodate requests to use family HMOs or other family health care providers.

Allergy Injections

Students who require allergy injections during the program will receive them under physician supervision at a local physician's office. A CTY staff member will accompany students to their appointments. The cost of each injection will be the responsibility of the student's family. Students must bring the medication and home physician's orders with them to the site. If your child will require allergy injections, please call Laura Saxton at 410-735-6183.

Medication Policies and Procedures

Students are **not permitted** to keep medications of any kind, including prescription and over-the-counter medicines, vitamins, growth hormone serums, and herbal or dietary supplements, in their possession. Exceptions are made for topical skin medications, asthma inhalers, a single day's supply of Lactaid, and single doses of medications which may be needed urgently, such as insulin and EpiPens®. Students bringing prescription or non-prescription medications to the site must turn them in to CTY staff at the medical table at registration on Opening Day. The medications will be kept in a secure location in the health office, and students will report to this office at the appropriate times to take their medication under the supervision of a CTY staff member. Medications that

require refrigeration are kept in a refrigerator in the health office. For the safety of all of our students, keeping medications in rooms or belongings is strictly forbidden and is considered grounds for dismissal.

All prescription medications must be in their **original pharmacy containers**, with the student's name and dosage instructions **written in English** and clearly legible; if your child is taking the medication in a manner other than what is written on the bottle, you will need a signed prescription from your physician. **We request your child bring a photocopy of your medical insurance card and prescription card (if you have one) to the site**, in case he needs a refill or a new prescription during the session. Non-prescription medications must also be in their original containers, and can only be given according to package directions written in English. Make sure your child has enough medication for the entire session. It is imperative that students traveling internationally double-check to be sure they have their prescription medication before they leave home and that the label is **written in English** or dosage instructions are written in English and signed by the prescribing physician. We will keep a stock of common over-the-counter medications on hand for occasional use (Advil, Benadryl, Cepacol throat lozenges, Imodium, Robitussin, Sudafed PE, Tums, Tylenol, and Visine), so students are requested not to bring these to the sites.

All students on medication should continue to take their medications during the program as prescribed. Although the program occurs during the summer and often students may not take medications that they do during the school year, at CTY the daily schedule and demands of the program require as much focus and energy as needed during the typical school day. Thus, in order for students who regularly take medications during the school year to have the greatest opportunity for success at CTY, it is **imperative** that students keep to their regular medication schedule.

Meningitis Vaccine

You may have read about college students and the risk of meningitis. At CTY summer programs, the risk of bacterial meningitis is *extremely low*. There has never been a documented case in our summer programs, and **we do not require that students get the meningitis vaccine**. However, as our students do live in residence halls, we are providing you with a summary of information recommended by the American College Health Association.

Bacterial meningitis is a serious infection of the membranes surrounding the brain and spinal cord. The most common cause of this disease in young adults is the bacterium *Neisseria meningitidis*, also known as meningococcus (meh-NIN-joh-caucus). Recent evidence shows that college students residing in dormitories are at higher risk for meningitis than are college students as a whole. Due to this finding, the CDC has recently recommended that undergraduates planning to reside in dormitories *consider* getting the meningococcus vaccine. The vaccine is very safe, and immunity lasts from 3-5 years. Please ask your pediatrician for more information and advice about the vaccine.

Medical Forms: Instructions

Medical Forms to be submitted:

Medical Information Page **due two weeks after receipt of this packet**
(requires parent or guardian signature)

Copy of Medical Insurance Card **due two weeks after receipt of this packet**
Copy of Prescription Card (if you have one)
(Be sure to copy the front and back of each card.)

Physician's Signature Page **due no later than May 15**
(requires a current physician's signature)

Send to: ***CTY Registration***
 McAuley Hall
 5801 Smith Ave., Suite 400
 Baltimore, MD, 21209
 Fax: 866-548-8022
 Email: ctyreg@jhu.edu

Both of these forms are **required** for your child to participate in CTY Summer Programs.

Medical Forms Checklist:

Fill out the *Medical Information Page* and sign. Photocopy it, submit the original, and bring the duplicate copy to site.

Return this page within two weeks of receiving your child's course assignment. This form only requires a parent/guardian signature and general information about your child's medical history. **Do not wait to send in your *Medical Information Page* until the *Physician's Signature Page* is completed.** The CTY Registration Office uses the *Medical Information Page* to complete registration for your child.

Complete the *Physician's Signature Page*. Photocopy it, submit the original, and bring a duplicate copy to site.

Option 1: You may already have a health certificate or similar piece of documentation containing the same information that we request on the *Physician's Signature Page*. If you have this documentation with a physician's signature on it from the 2008-2009 academic year, you may simply attach this to our *Physician's Signature Page* and submit the form.

Option 2: If your child has had a physical examination within the past two years, your physician may be willing to complete the form without a new office visit. Contact your child's physician to determine if this is the case and make arrangements to have the physician complete and sign the *Physician's Signature Page*. Submit the form.

Option 3: Schedule an appointment with your child's physician. Have the physician complete the relevant portions of the *Physician's Signature Page* and sign. Submit the form.

Permission to Treat

This is to authorize the medical personnel of the summer program site and/or off-campus medical facilities to provide necessary medical care to my child. The information I have provided on this form is accurate and complete. A photocopy of this form shall serve in the same capacity as the original document.

I give permission for CTY administrative staff to dispense prescription and nonprescription medications to my child, as indicated on CTY medical forms, as well as to arrange necessary transportation in order for my child to receive medical care. I give permission for the medical personnel of CTY, the host site, and the nearest or most appropriate medical facility, to provide routine health care for my child; to order x-rays, tests, or treatment; and to release any records necessary for insurance purposes. In the event that I cannot be reached in an emergency, I give permission for the medical personnel selected by CTY to secure and administer treatment, including surgery or hospitalization, for the student named above. I give permission for CTY to contact my child's medical provider for the purpose of confirming medical conditions/treatments or obtaining additional information in order to provide appropriate care. This authorization shall be in effect while my child is a student in the 2009 CTY Summer Programs. I understand that I am fully responsible for all medical costs incurred by my child.

The Center for Talented Youth Honor Code

CTY's summer programs provide a unique opportunity for intellectually curious people from diverse backgrounds to come together in pursuit of academic challenge and growth, within a supportive community built on respect, responsibility, and trust. In order to create and sustain such a community:

I promise to uphold academic and personal integrity, respecting the ideas and property of others, and to ensure that those around me do the same; and

I promise to follow the Expectations for Student Conduct:

Strive to do the best academic work possible.

Respect individuals of different races, cultures, religions, genders, sexual orientations, ages, disabilities, and national origins.

Behave in a friendly, cooperative, safe, and responsible manner toward all persons in the CTY community and in the larger campus and local communities.

Attend all class sessions, meals, activities, and meetings.

Take responsibility for my own work and actions.

Cooperate with adult supervision.

Observe rules for physical safety and all other rules for student conduct.

I understand that my actions will shape our site community, and that my membership in the community depends on my honoring this code.
