We are grateful for any time you can provide, and your efforts almost always will be aimed at helping other students and families become more familiar with CTY. Brief web-based training sessions are provided to introduce you to the materials and information necessary to fulfill the following tasks. Please check the activities that interest you:

FALL – usually a 1 to 2 hour session

- Speaking at an Information Meeting about Talent Search
- Calling schools to verify package receipt and answering any questions

SPRING – usually 8:30 a.m. to 2:00 p.m. on a Saturday or Sunday (partial shifts may be available)

- Helping with registration at an annual state Awards Ceremony

YEAR ROUND – time commitments vary

- Being available via phone or email to communicate with prospective new CTY students and parent
- Representing CTY at a conference table or booth
- Identifying schools and organizations in your area that would benefit from learning about CTY
- Hosting a Parent Network gathering for 40 – 50 people in your home, business, or club.

Please return completed form to CTY:
